

Health & Safety Policy

FEG Ltd design and build, project management and consultancy for industrial, manufacturing and process industries.

Services cover the following specialist sectors:

- Project management and associated consultative services
- Air Pollution control and sustainability services
- Design, build, install and commission services

FEG Ltd are committed to:

At very least meeting all Occupational Health and Safety legislation and guidelines relevant to the company and in most cases exceed any requirements in order to prevent injury and ill health.

Providing sufficient resources and equipment to ensure that the Company can operate to the documented Management System across all business functions and is appropriate to the nature and scale of the company's occupational health and safety risks. The Management System will provide a framework for the setting and reviewing of Occupational Health & Safety Objectives.

Ensuring that all employees are made aware and understand this policy statement and their individual Occupational Health & Safety obligations. To this end employees must be fully committed to health & safety to protect themselves, other employees and others who may be affected by their activities.

Communicating to all subcontractors employed by the Company or any other interested parties of the requirements of this Health & Safety Policy that they shall be required to meet the same objectives in all respects.

Conducting Risk assessments of all appropriate activities and fully documenting and implementing measures to achieve satisfactory control.

Ensuring that all personnel are trained to the relevant standards for any duties they are required to perform, and eventualities that may arise as detailed on the Company risk assessments.

Communicating the promotion of the health & safety of employees is paramount and contributes to the success of the business.

Ensuring that the Company will take all reasonable measures to protect the health and safety of employees and all others who may be affected by our activities.

Continually improving its Occupational Health & Safety Management System and company performance in Health and Safety.

Our Health and Safety Policy is monitored and reviewed to ensure that it meets the companies' legislative requirements, health & Safety objectives and targets and remains relevant and effective to the changing needs of our business and customers.

Managing Director

Chris Williams
